FTAs defined...

- Free trade area is a type of trade bloc, a designated group of countries that have agreed to eliminate tariffs, quotas and preferences on most (if not all) goods and services traded between them.

TPP = negative impact on ASEAN integration?

MITI MALAYSIA

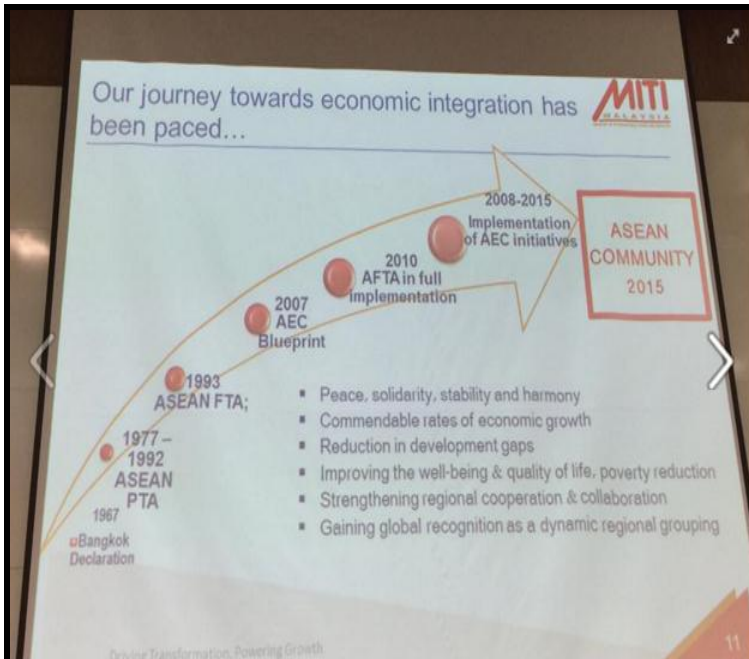

- trade and investment diversion
- increasing gaps between countries
- ASEAN TPP members will likely improve in key indicators (rules, productivity...) at the expense of other members
- ASEAN TPP members will be motivated to enhance their economic management capacities
