News highlights from MJIIT Dean, Datin Prof Rubiyah Yusof

In the afternoon of 14 march, our delegations met with NTT communications at their building near Hibiya Park. Very important people from NTT communications were there to greet us, headed by Ms Atsuko Oka, the vice president of IoT office and Mr. Ken Deguchi, the President/Ceo of NTT Msc Sdn Bhd. Very interestingly , Mr. Ken Deguchi flew all the way from Kuala Lumpur to meet up with us in Tokyo.

We discussed on the involvement of NTT communications in MJIIT new initiative of setting up “Sanggaku Renkei” which means the academic-industry collaborations. The setting up of IoT platform in MJI...
