News Highlights by Tan Sri Dr. Noorul Ainnur, Secretary General, Ministry of Higher Education (MOHE)

MOHE is striving for internationalisation of higher education in Malaysia. We are promoting Malaysia as the hub of higher education at global level. Hence, the establishment of UTM-Malaysia Japanese International Institute of Technology is one of the approaches to globalise our higher education. MJIIT is also collaborating with 27 top ranking Japanese universities with regards to funding and Japanese lecturers attachment. Three days ago, we presented the annual report to our stakeholders which includes Ministry of Foreign Affairs Japan, JICA, Japanese and Universities Consortium. The present...
