UTM Faculty of Chemical and Energy Engineering Awarded USD100,000 IDB Prize of Excellence in Science and Technology

May 17, 2017. The Faculty of Chemical and Energy Engineering of Universiti Teknologi Malaysia (UTM-FCEE) was awarded the Islamic Development Bank (IDB) Prize of Excellence in Science and Technology [PA1] at the 15th Edition of the IDB Science and Technology Prize on the occasion of the 42nd Annual Meeting of the IDB Board of Governors in Jeddah, Kingdom of Saudi Arabia. UTM-FCEE was cited as an "Institution having achieved outstanding contribution to a given scientific discipline".
