Farah Dahli tidak perlu cari supervisor, fakulti akan assign supervisor. sekiranya ingin cari sendiri juga digalakkan, boleh cari di website ini www.pure.utm.my
Like Reply · 1 · 9 July at 17:07

Zulfakar Aspar Untuk maksimumkan keupayaan dan meminimumkan risiko anda, adalah lebih elok anda mencari supervisor terlebih dahulu. Pastikan anda mempunyai keserasian dengan supervisor anda. Ada beberapa faktor yang anda harus menilai bakal supervisor anda, agar benar2 sesuai dengan anda. Hubungan anda dengan supervisor bukan hanya setakat semasa belajar tetapi berpanjangan selepas tamat belajar.

Wan Shah utik phd just buat research n syarat kena terbitkan journal jugak ea di um??
Like Reply · 12 July at 10:09

Zulfakar Aspar Untuk memudahkan anda menulis tesis, penulisan journal amat membantu. Satu objektif boleh menulis satu journal. Sekurang2nya dua objektif diperlukan. Saya sendiri mengalaminya di mana penulisan2 perisidangan saya digabungkan untuk meingkatkan versi terakhir tesis saya.

Zulfakar Aspar Soalan yang lebih penting, di mana anda boleh kerja dengan gaji dan peranan yang lebih baik selepas tamat belajar? Jika peluang tersebut banyak dan pulangan pendapatan yang tinggi, yuran yang dikenakan sangat rendah.
