Some of the people who have given our family wonderful, happy memories are the ones who worked for us, and who were with us during difficult times. They showed us the meaning of sincerity, patience and kindness. They offered us their loyalty and support. They will forever be in our hearts. (Jemilah Mahmood - thinking about what you wrote during the past few days)

Sebahagian daripada insan-insan yang telah memberikan kami sekeluarga kenangan-kenangan yang indah dan membahagiakan adalah mereka yang telah bekerja untuk kami, dan yang telah bersama kami dikala waktu sukar. Mereka telah menunjukkan kepada kami erti keikhlasan, kesabaran dan kebaikan. Mereka menawarkan kesetiaan dan sokongan mereka. Mereka ini akan sentiasa kekal di dalam hati kami.
