Universiti Teknologi Malaysia (UTM)

Since its establishment, UTM has come a long way to become one of the leading universities in Asia and top 1% in the world. We take pride of the people we have throughout our journey, in the things we do, the talents we nurture, the knowledge we discover, the community we serve, and are definitely very grateful and proud of what we have achieved in 46 years. Alhamdulillah.

Happy 46th Birthday Universiti Teknologi Malaysia (UTM)!

Deepest appreciations to all
