You have 7 more days to apply! We have been receiving an encouraging number of application to date but we are not stopping yet as we believe you, yes YOU might be among the selected 60!

If you are still unsure whether this is a cool programme to be in, then you must meet the founder himself Prof. Dr. Arham Abdullah. To the fellows, he is like our biggest mentor/brother (he's too young to be called our father yet 😊) People call him *The Demolition Man* as he is an expert in tearing down buildings. But in the CEO@Faculty family he does the opposite, he builds a strong bond among us all, and build solid foundation to a strong academia-industry bridge.

Oh on top of that, he is a pretty cool guy, who sometime thinks he is Superman 🦹 but we love him anyway! Apply now peeps!

Open for registration from 1st APRIL 2018 to 15th April 2018.
