Dr HA Hellyer has given lectures at UTM in JB and KL when he was in Malaysia. We need academicians and lecturers like him because he has a deeper understanding of the Middle East than most of us.

Here is his latest article - about the present stand taken by John Kerry about the Palestine-Israel conflict.

John Kerry shouldn't be applauded for stating the obvious: Israel's occupation of Palestine is wrong

What the secretary of state said would be standard in most Western capitals.
