

ProfRose Utm shared Universiti Teknologi Malaysia (UTM)'s post.

August 4 · 🌐

University Presidents Forum (UPF) is to identify common issues and opportunities for research universities that would further strengthen the roles and relevance of universities.

Presidents or Vice Chancellors of the selected universities are invited to present their diverse views, insights and experience on global education and research. We hope to forge an international network of universities that will strengthen the efforts of the participating universities and create active and effective alliances in research and education through this forum.

Total attendees : 103

Total Universities : 59

Total Presidents/ equivalent : 35

Total Countries : 19

Total Agreements : 17

List of Speakers:

- 1) SKKU, Korea
- 2) NUST, Pakistan
- 3) ITB, Indonesia
- 4) NITECH, Japan
- 5) Southampton, UK
- 6) UGM, Indonesia
- 7) Deakin, Australia

8TH UTM UNIVERSITY PRESIDENTS FORUM 2016 (8th UTM UPF)

"Innovation and Sustainable Development"

8th – 10th August 2016
