## DEFINITIONS

### 1. Flight, International

A flight operated with one or both terminals in the territory of a State, other than the State in which the airline is registered. The term State includes all territories subject to the sovereignty, protection or mandate of such State.

### 2. Flight, Domestic

A flight operated between points within the domestic boundaries of a State by an airline registered in that State. A flight between a State and territories belonging to it, as well as a flight between two such territories, should be classified as domestic. This applies even though the flight may cross international waters or over the territory subject to the sovereignty, suzerainty, protection or mandate of such State.

### 3. Commercial air transport operation

An aircraft operation involving the transport of passengers, baggage, cargo or mail for remuneration or hire.

### 4. Air services, scheduled

Air services provided by flights scheduled and performed for remuneration according to a published timetable, or so regular or frequent as to constitute a recognizably systematic series which are open for use by public including empty flights related thereto and preliminary revenue flights on planned new air services.

### 5. Non-scheduled flight

Commercial flights not listed in the time table of an airline including General Aviation aircraft carrying passenger or cargo for remuneration or hire.

### 6. Passenger

Any person, except members of the crew, carried or to be carried in an aircraft with the consent of the carrier.

### 7. Transfer passenger (cargo, mail)

A passenger making a direct connection between two flights. i.e using different aircraft and flight numbers, operated by the same or another airline. Synonymous with connecting passenger.

### 8. Transit passenger (cargo, mail)

A passenger arriving and departing on one and the same aircraft.

### 9. Cargo

Anything carried or to be carried in an aircraft, except mail, or baggage carried under a passenger ticket and baggage check, but includes baggage moving under an airway bill or shipment record.

### 10. Mail, service

- Dispatches of correspondence and other objects tendered by and intended for delivery to postal administration.
- Goods carried under the terms of an international Postal Convention.

### 11. Departure

The boarding of an aircraft for the purpose of commencing a flight, except by such crew or passengers as have embarked on a previous stage of the same through-flight.

### 12. Arrival

The leaving of an aircraft after a landing except by crew or passenger continuing to the next stage of the same through-flight.

### 13. STOLport

An airport designed to serve short take-off and landing (STOL) aircraft.
